*School of Electrical & Information Engineering, University of the Witwatersrand, Private Bag 3, 2050, Johannesburg, South Africa.*

This document is an assessment form showing how the marks are distributed among the student partners that worked on the Centipede Project. A total of 10 marks are given so that students can distribute among themselves as they see fit. Table 1 shows how the 10 discretion marks were distributed among the partners who worked on the project.
